Amplification of Data Contained in [REDACTED]
19 February 1957, S/NOFORN/CONT CONTROL

1. Referenced report states that Soviet gold sales on European markets in 1956 totalled \$150 million and that the USSR will probably offer twice the 1956 amount for sale in 1957.

2. This office requests answers to the following questions:

25X1X7

a. [REDACTED] aware of any other intelligence either to confirm or deny the figure of \$150 million Soviet gold sales in 1956 and the estimated \$300 million sales in 1957.

b. Can the reported 1956 total be detailed with reference to monthly amounts, purchasing firm or firms, importing countries and currencies for which sold.
